

REMARKS/ARGUMENTS

In response to the Advisory Action, the Examiner stated that claims 59-61 and 65-68 would be allowable if submitted in a separately filed amendment canceling the non-allowable claims. Claims 59-61 and 65-68 are amended and claims 43, 44, 46, 53 and 54 are canceled in the present amendment.

In view of the amendments and remarks presented above, the Applicant believes that the application is now in condition for allowance, and respectfully requests reconsideration of the application, withdrawal of the rejections and allowance of the claims. No new matter has been added to the application. The Applicant respectfully requests that the Examiner telephone the undersigned in the event a telephone conference would be helpful in advancing prosecution of the application.

Respectfully submitted,
